BENEFITING:
 Mike had been cancer free for over 20 years, but late last fall his Ocular Melanoma metastasized to his liver. It sounds unusual, but it is still Ocular Melanoma. He is strong and up for the fight - so are all his Warriors. We are hoping to lessen his family's stress with the numerous medical bills. We are trying hard to take care of a person who is always caring for others as an RN now or at previous volunteer EMS positions with local departments where he lived.
