EXPERIENCE BURLINGTON FOR THE FIRST TIME...

Again!

Whether you're a local seeking to rediscover the newfound charm of your hometown or a visitor here for a wedding weekend, day trip adventure, or an exploration of Burlington's natural beauty – each visit promises a fresh experience.

Burlington pulses with live music, shopping delights, and culinary adventures year-round. From vibrant streets to lush parks and buzzing venues, there's always something happening. Stay updated with our weekly events calendar on Facebook @ExperienceBurlingtonWI or subscribe to our community newsletter at info@experienceburlingtonwi.org.

Take a leisurely stroll along Burlington's Scenic Riverwalk and picturesque trails, immersing yourself in the town's natural splendor. Numerous parks dot the landscape, many nestled alongside the White and Fox Rivers, offering recreational amenities like playgrounds, picnic areas, and fishing spots.

Boating, fishing, and water

sports enthusiasts flock to Burlington's rivers and lakes. Bohners Lake, Browns Lake, Rockland Lake, and Echo Lake in downtown Burlington are popular destinations for aquatic adventures.

Don't miss the vibrant Farmers Market at Wehmhoff Square Park every Thursday evening from May to October, or the free B-Town Sounds concerts in Echo Park on summer Thursdays. And for a truly memorable experience, catch the Aquaducks Water-Ski Show on Thursday evenings at Einer Fischer Park on Browns Lake.

Venture just minutes southeast of Burlington to discover AEppelTreow Winery and Brightonwoods Orchard, producing award-winning wines, sweet cider, and a variety of heritage apples. Across the street lies Richard Bong State Recreation Area, offering expansive grasslands, wetlands, and woodlands for outdoor enthusiasts.

Beyond outdoor recreation,

Burlington boasts historical, educational, and entertaining attractions. The Malt House Theater hosts The Haylofters, one of Wisconsin's oldest community theaters. The Burlington Historical Society preserves local history at the Burlington Historical Museum and Pioneer Cabin, while the Tall Tales Trail celebrates Burlington's storytelling tradition with bronze plaques scattered throughout downtown.

Downtown Burlington is a haven for shoppers and foodies alike, with trendy boutiques, eateries, microbreweries, coffee shops, and bakeries waiting to be explored.

For more information on events and attractions, contact Experience Burlington at (262) 763-6044 or visit www.experienceburlingtonwi.org.

Experience Burlington is committed to fostering a vibrant and connected community. With exciting events and initiatives planned for 2024, we invite you to "Visit Burlington for the first time... Again."

Feeling Outdoorsy

There's always something to do in Burlington all year long!

Spring and summer are bursting with color and full of fun and exciting opportunities to enjoy the warmer

months. Spend an afternoon canoeing down the Fox River, golfing, hiking or biking one of our many trails, lounging around at the Einer Fischer County Park beach, boating on one of our four area lakes, fishing on the banks of the White River, or enjoying one of Burlington's 28 public parks. We also have the Burlington Aquatic Center, Burlington Farmers Market, and a quaint downtown full of shops & food!

Fall is a wonderful time to get out in our beautiful crisp outdoors! Spectacular scenes await you in late September and early October with the great variety of trees that Southeastern Wisconsin provides. Take a drive or a bike ride along one of our seven Rustic Roads - the most of any Wisconsin County! You can find rustic road maps online at www.dot.wisconsin.gov.

The winter months hold much beauty and excitement on the many lakes and rivers surrounding Burlington. Whether you enjoy skating, hockey, fishing/ice fishing, snowmobiling, cross-country skiing, snowshoeing, or making snow angels, one thing is for sure-with winter fun, Burlington has it all!

Besides all the outdoor possibilities found all over Burlington, we also have John Margis Wildlife Area. It has paths which lead to a marsh for wildlife viewing and beautiful overlooks. Just east of Burlington is Richard Bong State Recreation Area, open year-round, offering camping, nature classes, and 41.1 miles of trails for hiking, mountain biking, cross-country skiing, horseback riding, snowshoeing, and dirt bike riding. With options like these, you'll see why Burlington is the perfect destination for outdoor fun all year long!

BIKING & WALKING

Trails

No matter if you like two wheels on the blacktop, back country roads, or scenic bike trails, Burlington's miles of trails provide a great time for peddlers of all levels and are an excellent way to see many of the natural wonders of our area. Wild flowers, native birds, and picturesque landscapes combined with the fresh air, produce a healthy and leisurely activity that's full of fun!

SEVEN WATERS

The Seven Waters Trail passes near Wind Lake, Waubeesee Lake, Muskego Creek, Fox River, Long Lake Creek, White River, and Echo Lake. The gravel trail begins at Highway 142 at Bushnell Park in the Town of Burlington, enters the City of Burlington near Riverside Park following the beautiful Fox River. The trail runs north along the east side of Highway 36 crossing Highway 36 to join a newly constructed segment in the Rochester arca. This new segment of the trail winds through Saller Woods, connecting to Eagle Case Park, before joining the previous trail - to run north past Waterford and Wind Lake. Canoe and kayak launches have also been added to Case Eagle Park. The construction of the new segment, which is composed of blacktop, creates a seamless link from one end of the county to the other. The final segment of the trail is on the east side of HWY 36 and proceeds northward to the Waukesha County line (City of Muskego).

Unique TO BURLINGTON

PRE-PLANNED EXPERIENCES! SHRPA

We know not everyone loves the research, time, and effort that goes into planning an experience, so we have some guided trips and fun stops preplanned for you! SHRPA is an online tool that makes it fun and easy to share and discover adventures in our community- by visitors and locals for visitors and locals. Or, create your own adventure, and let others know what you loved about Burlington!

MALT HOUSE THEATRE

The historic Malt House Theater is home to The Haylofters, one of Wisconsin's oldest continuing community theaters. The group was founded in 1932, when its first home was an old barn near downtown Burlington. When shows were presented on a small stage built into the hayloft! Since 1954, the company has presented an annual season in its present location, including spring and fall plays, a summer musical, and off season activities and shows.

BROWNS LAKE AQUADUCKS

The Brown Lake Aquaducks perform waterski shows at Einer Fisher Park on Highway 11 in Burlington every Thursday evening from Memorial Day through Labor Day. The junior show starts at 5 PM with the main show following at 6:30 p.m. All shows are free and open to the public.

BTOWN SOUNDS

After visiting the weekly Farmers Market in Wehmhoff, enjoy a free summer concert series every other Thursday from 6:30-8:30 p.m. at Echo Park! Bring your own chairs & blankets or sit down by the stage in the bench seating! Pack your own picnic or check out the food & beer for purchase!

THE LOOP COMMONS/ CLIMB@THE LOOP

Experience collaborative workspaces, equipped photo and podcast studios, private offices, and a spacious co-working area! You can also rent the space as the historic building provides a unique backdrop for any occasion- wedding shower, birthday party, or corporate function, etc! For a different kind of challenge, explore CLIMB @ The Loop, an indoor bouldering gym suitable for all ages and skill levels.

ROOTS OF FREEDOM- WISCONSIN'S UNDERGROUND RAILROAD

The Underground Railroad was the first "railroad" to reach the Wisconsin Territory. Burlington visitors are surprised at the rich history that includes multiple way-stations and pioneer residents who were active abolitionists, participating both directly and indirectly to help runaway slaves on their way to freedom. The Burlington Historical Society has mapped out many of the way-station locations and offers the Bur Spur Roots of Freedom self guided tour. This tour includes over 25 stops in all: a City of Burlington Walking Tour and a driving tour that encompasses Rochester and Spring Prairie.

DIA DE LOS MUERTOS AND SPOOKY CITY

Experience Burlington also recognizes the importance of celebrating Burlington's rich cultural diversity with the new Day of the Dead/Dia de los Muertos celebration which takes place the last weekend in October. This event is held in conjunction with the wildly popular Spooky City event and coffin races. This street party not only adds vibrancy to the community, but fosters understanding and appreciation for different traditions.

Liars' Club

Fibbing for Fame and Folly

It all started with a lie. Mannel Hahn was a Burlington local and freelance writer for the Milwaukee Journal and the Chicago Daily News. In 1929 when news was sparse, he concocted a fantasy of the non-existent meeting of a "Liars' Club" then sent it to the papers. His article wasn't a total lie:

Every morning a group of people met in the Burlington police station and swapped stories as telling "tall tales" was their daily pastime. One year later they were contacted by the newspaper to see who was the new winner; it was then they knew the club had to become official. By 1933, the organization claimed to have sorted through

1,500 lie entries! To this day, the Liars Club of Burlington still reviews lies sent in from all over the world and announces the winner on New Years Day! Burlington Liars' Club is also an upscale bar & lounge located above The Coffee House which pays homage to Burlington's fun history!
