Welcome to

Twin Lakes, WISCONSIN

The Village of Twin Lakes is located in the southeastern corner of Wisconsin in Kenosha County. Currently, Twin Lakes has a full-time population of approximately 6,500, and a vibrant part-time population of summer visitors as well. Our village is growing by almost 1% annually, and our population has increased by almost 200 residents since the last census in 2020 (worldpopulationreview.com). Twin Lakes offers small-town charm less than 70 miles from Chicago, Milwaukee and Kenosha. Its location offers quick, easy access to two international airports and interstate transportation. In Twin Lakes we have a saying: “Close to everything, but away from it all.”

With nearly 1000 acres of water, the Twin Lakes, Mary and Elizabeth, make the area a popular destination for swimming, boating, and fishing. Five major and several smaller parks offer beaches, basketball,

tennis, pickleball, and volleyball courts, skateboarding, walking trails, baseball diamonds, soccer/football fields, and sledding hills.

The Twin Lakes Chamber Office is located in the red railroad depot replica next to the caboose at 349 E. Main St. in downtown Twin Lakes. This railroad design pays homage to the history of the area. Large blocks of ice were harvested from the lakes and shipped to Chicago via railroad during the summer, before refrigeration

Where Business & Community Come Together!

The Twin Lakes Area Chamber and Business Association, Inc. was created in 1991 when two organizations, the Twin Lakes Businessmen's Association (established 1954) and the Twin Lakes Chamber of Commerce (established 1971) were merged to better serve the community. In 1997 the Association expanded its services to include surrounding communities not already covered by a Chamber or like organization. One of the goals of the Chamber is getting people together in face-to-face settings to build business relationships and make new business contacts.

Twin Lakes Area Chamber & Business Association, Inc. is a proud supporter of the Twin Lakes Chamber Foundation, Inc., which is dedicated to providing merit-based scholarships to high school seniors in the Twin Lakes area. The Foundation also makes charitable donations every year, to help those in need.

ACKNOWLEDGEMENTS

Our thanks to those who contributed photographs, data, and historical information to make this guide possible: *Summer of Enchantment*, *The History of Twin Lakes*, by Greg Saucerman; Village of Twin Lakes; Twin Lakes Police and Fire Departments; photos by Robert Dye, Hapi Photography, Nancy Rzonca and other community members. Thank you to Southern Lakes Newspapers for designing and printing this guide.

History of Twin Lakes

The original settlers in the Twin Lakes area were the Sauk, Fox, and Potawatomi tribes, long before white settlers came. Native Americans found high ground, with abundant fishing and hunting that were the means for their survival. In 1833, after the Native Americans were moved to reservations, settlers Jonathan Imeson,

from England, and his wife Mary Wray, the daughter of another settler Thomas Wray, staked a claim in the area later known as English Prairie on the southern tip of Lake Elizabeth. Their twin daughters, Mary and Elizabeth, were the first twins born on the Prairie. The lakes, formerly called the Nippersink Lakes, were named after the

twin girls and soon the area became known as Twin Lakes.

In 1859, the Kenosha, Rockford, and Rock Island Railroad Company laid tracks in the area, passing through on the north side of Lake Mary and bringing the outside world to Twin Lakes. By 1880, the depot was built with a sign on the side reading Twin Lakes.

Ice harvesting, farming, and weekend getaways bringing people to Twin Lakes were a key factor in the development of the town. Haegles' ice house was started on Lake Elizabeth in the late 1850's and more soon followed. Ice was harvested in large blocks and stored, to be sent to the city for use in the summer.

The first hotel, the Ackerman, was erected in the 1870s. Estates, resorts, taverns and the Twin Lakes Ballroom, the largest ballroom in Wisconsin, made Twin Lakes a vacation destination by the turn of the century. Summer estates, handed down to the next generation, were common at the time. Twin Lakes prospered during the "Roaring '20s", as many claimed it was the resort capitol of the Midwest. The Twin Lakes Ballroom, later called the Wonder Bar, was unique because most of the big bands played there. Glen Miller, Tommy and Jimmy Dorsey, Benny Goodman,

Dorothy Lamour, and the Andrews Sisters all performed in the Ballroom. Lawrence Welk and his wife Fern lived in a little room in the Twin Lakes Ballroom for the summer of 1931 when they came to Twin Lakes with a new band.

Ice houses began declining in the 1930's and the ice industry disappeared from Twin Lakes.

By 1937, Twin Lakes was incorporated as a village, formed its own government, and became a year-round community. Restaurants, gas stations and stores were established as the village began to grow. The last train came through Twin Lakes on May 31, 1939, marking the end of an era.

"Fever Lake", a scary movie starring Mario Lopez, Corey Haim, and Bo Hopkins, was filmed in Twin Lakes in 1996.

From the *Chamber President*

Welcome associates, friends, neighbors and visitors to our 2025 Twin Lakes Area Chamber and Business Association, "Where Businesses and Community Come Together."

The Chamber is pleased and excited to reveal we continue to bring year-round activities and events to our incredible community. We continue to collaborate with our local schools, municipalities, Twin Lakes Food Pantry, The Sharing Center, and many other organizations to help us with the events, and we incorporate many people and businesses in our surrounding communities, which makes our area a wonderful place to live and visit.

The Chamber offers our current and new members many opportunities to help promote the success of their businesses and to bring new members into our organization.

As President of the Twin Lakes Area Chamber and Business Association, when I see the smiles, hear the laughter, feel the love, and see the unity, I know that together we will continue to make this a great place to live, work, and volunteer.

A heartfelt thank you to everyone for all of your support of the Twin Lakes Chamber and Business Association.

Sincerely,
Wayne Trongeau,
President

The Village of Twin Lakes was incorporated in 1937. The former Village Hall location was built in 1910, and was replaced by the new Village Hall, completed in 2022.

The Village is run by a council-manager form of government, consisting of a 7-member board (with one elected as Village President) and a Village Administrator. The council-manager system combines the strong political leadership of elected officials with the managerial experience of an appointed local government administrator.

The Village is comprised of eight major departments at four facilities, offering services to meet the needs of our residents. The current Village President is Howard Skinner. Village board meetings are the first and third Monday of each month at 6:30 p.m. A schedule of all other meetings is posted at the Village Hall and on the Village website, www.twinlakeswi.gov.

Twin Lakes **SENIORS CLUB**

The Twin Lakes Seniors Club is open to all seniors older than 55. Members are from Twin Lakes and the surrounding areas, including northern Illinois. Town of Randall

Located in the southwest corner of Kenosha County, surrounding Twin Lakes, the Town of Randall was formed when Kenosha County was created from a much larger Racine County in 1850. Its boundaries were determined by dividing the Town of Wheatland, and it was named for former Governor, Alexander Randall. Today, the town is home to about 3,300 residents. Randall's Town Board meets on the second and fourth Monday of each month, at 6 p.m., at the Randall Town Hall, 34530 Bassett Rd., Bassett, WI. 262-877-2165.

The Kenosha County Veterans Memorial Park (formerly KD Park), and Warren Close Bark Park located at 35610 89th St., are both in Randall. They are regulated by Kenosha County. The dog park is part of Kenosha County Dog Parks and abides by the Kenosha Dog Park rules, available on their website. Veterans Memorial Park offers hiking trails, fishing, picnicking, non-motorized watercraft, snowshoeing, and cross-country skiing.

The Randall Fire Department, housed in Powers Lake and Bassett, has nearly 40 members including firefighters, a First Responder Unit, Cadet Squad, and an Auxiliary. The Department has two engines, a ladder, a tender, a grass rig, two utility trucks and an off-road UTV. They welcome new members!

Twin Lakes Volunteer Fire Department and Rescue Squad

236 E. Main St., Twin Lakes, WI 53181
Non-emergency 262-877-2373
Emergency 911 • www.twinlakesfire.com

The Twin Lakes Fire Department goals are to protect and preserve life and property.

The Twin Lakes Volunteer Fire Department was organized in 1929 with a staff of more than 20 volunteers. The department was incorporated in 1941. The Twin Lakes Rescue Squad was formed in 1949. The department has 45 members with at least 40 of those active in one capacity or another. The Members are certified in Fire Fighting, EMT, or AEMT levels; currently the department has daytime staffing to cover calls, while most of the members work other jobs. The members were ALL volunteer until 2025, when TLFD hired its first-ever 6 full-time staff. These members work a 24-hour on shift and 48 hours off shift. TLFD is considered a combination department. When there are multiple emergencies, any motor vehicle accident, or any fire call, then our

non-full-time members still respond from home to come help our community. The department responds to an average of 160 fire calls per year and 1000 EMS calls per year, covering the Village of Twin Lakes, the Town of Randall, and the Town of Wheatland.

Trainings are completed each month on Tuesday evening to keep skills sharp, and our General Meeting for members is the second Tuesday of each month. AEMTs and EMTs are required to recertify with the state every three years to keep licenses current.

The department participates in National Night Out in August and Shop with a Hero in December. Members go to Lakewood School and Randall School to do Fire Prevention programs during Fire Prevention month in October. On the first Saturday in December, the department hosts Santa at the Fire Station from 10 a.m. to 2 p.m. CPR classes are offered to the community at no charge.

TWIN LAKES POLICE DEPARTMENT

920 Lance Dr., Twin Lakes, WI 53181

Non-Emergency 262-877-9056

Emergency 911 • www.twinlakespolice.org

Established in 1937, The Twin Lakes Police Department provides law enforcement services to the Village of Twin Lakes 24 hours a day, 7 days a week.

The Police Department employs nine full-time Patrol Officers, one Detective, three Patrol Sergeants, and one Captain, and is led by Police Chief Katie Hall. Three part-time Police Officers and a part-time seasonal water patrol staff also assist the department in providing year-round community services. The Village also maintains a 24-hour dispatch center located at police headquarters. Five full-time and four part-time dispatchers handle radio, paging, and telephone communications for the Twin Lakes Police, Fire, and EMS Departments.

A Focus on Community Relationships

The Twin Lakes Police Department places a strong emphasis on community engagement and building trust with the citizens we serve. Officers frequently visit local schools to foster positive relationships with students and staff. They are present at drop-off and pick-up times to ensure safety and provide visibility. They hold educational classes throughout the year,

including drug safety and awareness, internet safety, personal safety, and other relevant issues, to empower and educate young people.

In addition to their work with schools, officers regularly attend community events, neighborhood gatherings, and local meetings to stay connected with residents. The department also offers Coffee with a Cop, an informal program where community members can meet officers in a relaxed setting to ask questions, voice concerns, and share ideas.

Community Events & Outreach

The Police Department hosts several community events throughout the year to strengthen its partnership with residents: National Night Out (first Tuesday in August), Shop with a Hero (December), and Senior Outreach Programs.

The department's Community Outreach Committee, composed of officers and dispatchers, organizes and participates in other charitable and educational events throughout the year. This team is dedicated to helping those in need, from food and coat drives to supporting families in crisis.

Additional Resources for the Community

The Police Department lobby is open 24 hours a day, and staff is always onsite to assist. Resources include a Prescription Medication Drop-Off Box, Fingerprinting Services, a House Watch Program, a Safe Exchange Area, Department Tours, and a Child ID Program.

A Commitment to Serving Twin Lakes

Our officers are highly trained professionals who are passionate about serving the Village of Twin Lakes. Whether through emergency response, community outreach, or day-to-day interactions, the Twin Lakes Police Department is dedicated to ensuring the safety, trust, and well-being of all residents and visitors.

We are proud to serve this community and are always here for you. If you see us out and about, feel free to say hello – we're more than happy to chat or assist in any way we can. Together, we can continue to make Twin Lakes a safe, welcoming place to live, work, and visit.

The Twin Lakes Chamber would like to thank the members of the Police and Fire Departments for their service.
